

PROPOSED CLAIMS

In the Claims:

1. (Currently Amended) An illumination system comprising:

a plurality of first candles, each of the first candles having a first expected burn time; and

a plurality of second candles, each of the second candles having a second expected burn time;

a plurality of third candles, each of the third candles having a third expected burn time;

a container, wherein all of the first, second, and third candles are packaged together within the container; and

a lighting element fastened to the container.

- 2-3. (Canceled)

4. (Currently Amended) The system of Claim 31, wherein each of the first, second, and third candles are floating candles.

5. (Currently Amended) The system of Claim 31, wherein each of the first, second, and third candles are scented.

6. (Currently Amended) The system of Claim 31, wherein the first burn time is less than 60 minutes, the second burn time is greater than 60 minutes and less than 120 minutes, and the third burn time is greater than 120 minutes.

7. (Currently Amended) The system of Claim 31, the container further comprising:

a top end and a bottom end, the top end having a plurality of holes;

a front side and a back side;

a left side and a right side;

~~a lighting element;~~ and

a fastener extending through the holes to secure the lighting element to the container and closing the top end of the container.

- 8-13. (Canceled)

14. (New) The system of Claim 31, wherein the lighting element is a candle.
